At YELLOW SPIDER EVENTS, Dr. Suhani Mendonsa conceptualizes and executes online events, destinations and traditional weddings, corporate events, art shows, stage shows at both Domestic and International levels. With over 25 years of experience in the event industry and an honorary doctorate in event MANAGEMENT, she also teaches event MANAGEMENT at St. Paul's Institute.

As MENDONSA FOUNDATION's Project Director, Dr. Suhani has been initiating various efforts towards youth empowerment through career guidance programs along with placement opportunities. For the underprivileged women, she has started skill development programs to help them gain financial independence. In association with ABMMS (A German Trust), her goal along with Dr. Vivek G Mendonsa is to enable cleft lip palates correction surgeries for 5000 children in India.

She has been contributing in various capacities and supporting the efforts of Don Bosco Development Society, Women Build India Foundation, Light of Life Trust, and many more. She has also been actively spreading awareness through workshops for menstrual hygiene and promoting the use of eco-friendly practices.
