As MENDONSA FOUNDATION's Project Director, Dr. Suhani has been initiating various efforts towards youth empowerment through career guidance programs along with placement opportunities. Her goal along with Dr.Vivek G Mendonsa is to enable cleft lip palates correction surgeries for 5000 children in India.

### Unique Achievements

- HONORARY DOCTORATE by CIAC in Event MANAGEMENT
- Certified CORPORATE DIRECTOR
- MAHATMA GANDHI Award For Social Service At THE HOUSE OF COMMONS, LONDON
- Pioneered the concept of KARAOKE ANTAKSHARI

## Social Initiatives

Dr Suhani also worked to ease the suffering of migrants, daily wage earners and the underprivileged during the Covid-19 lockdown. Through the Mendonsa Foundation, Dr Suhani organized and distributed Daily Essential Kits to the underprivileged. The Daily Essentials Kit was created to suffice a family of 4-5 members for a month.

- Developing skills among women and youth
- Fundraising for the education of tribal children in India
- Spreading awareness of menstrual hygiene through workshops
- Organizing cleft lip palate surgeries for the underprivileged children
- Raising awareness of creative pursuits through art and photography workshops
- Introducing the slum children to musical performances to widen their scope and exposure
- Organizing exhibitions for women to sell homemade items to provide financial independence
- Built homes for 'adivasis' and widows of farmers who have committed suicide
- Spreading awareness to use eco-friendly Ganesha and decorations
